According to Greyhills Academy HS School Board bylaws 1.06 Conduct of Meetings, section D., the board may accept comments from the general public on items that appear on the School Board agenda as well as public comments regarding the Greyhills Academy HS organization.

The call to the public is a privilege not a right. The call to the public form must be filled out and submitted to the School Board President prior to the time of the scheduled meeting to ensure propriety. The call to the public should not be used for personal attacks on staff, students, board members, or others. The call to the public shall be addressed to the Board only upon matters relevant to the function, authority and responsibilities of the Board. The Board President will exercise such authority as may be necessary to limit public comment in order to protect due process and privacy rights, preserve order, require relevancy and to prevent redundancy and/or excessive length of the call to the public. The call to the public shall be limited to three minutes per speaker. Board members cannot respond to public comments. A board member may direct the administration to investigate the comment and/or place it on a subsequent agenda, but not direct action.
